## Letter From CEO, Rick Napper

SPIRIT! Hopefully you all had a chance to participate in the events of Spirit Week. I think the week was a positive experience for our staff. I would like to thank all of you who contributed your time and resources to make our Spirit Week a huge success. I've had many compliments on the fireworks and requests to do it again next year. I was very pleased at the number of employees who brought their families to the Arena that night for the show. I think we celebrated Independence Day in style.

The MRHC Foundation is looking forward to its next Dr. Mark S. Wells Memorial Golf Classic that will be held on August 6, 2010, at Shiloh Ridge Golf Club. The tournament will host 32 teams in a 4 man scramble that day and, as usual, the tournament will be very entertaining to the players with several fun games including, but not limited to, a putting challenge, longest drive and of course the famous ball drop by Air Evac. Three flights will be awarded prizes for first and second place. This tournament has become one of the more popular tournaments in our area and will fill up fast, so if you know of someone who would like to be a sponsor of the tournament or a team, please let us know. The registration form and sponsorship form are posted to the home page of the intranet or registration can be done at Shiloh Ridge.

As you know, a major part of our communication with staff is through the MRHC intranet. The intranet has become a great tool for staff to keep up to date with everything from policies to hospital events. We are now planning an "Intranet

Café" where we will have several computer stations set up for employees to check email, check the intranet, etc. These computers will be in the room across from the elevators in the hallway to the cafeteria. We will also roll out a "Name the Café" survey to you soon for you to choose the name of the intranet café. Our plan is to have it up and running by August 1st.

As you take part in your family vacations and summer activities, please remember to stay safe and enjoy the rest of the summer. As always, your loyalty to our facility is greatly appreciated. God bless you and your families.

Sincerely,

Rick Napper, CEO

## Announcements

If you exit the building after 9:00 p.m. for any reason, you must re-enter through the Emergency Department entrance unless badge access allows entrance through another door. DO NOT PROP DOORS OPEN FOR ANY REASON. Help us to ensure your safety and that of your co-workers by maintaining the integrity of our security measures during nighttime hours.

## Physician's Strategic Initiatives Meeting

On Friday, June 18, 2010, MRHC held a physician's strategic initiatives meeting at Pickwick Landing State Park Inn regarding pending healthcare reform and its effects on the medical community. The meeting was a success with attendees ranging from physicians to MRHC administrative staff. Guest speakers Peggy Tighe, J.D. and Robert Marder, M.D. provided helpful information to everyone.

## MRHC Performs 500th Open Heart

On June 19, 2010 MRHC performed its 500th open heart surgery. C. Max Hutchinson, M.D., F.A.C.C. performed the 500th procedure and was also the physician who performed MRHC's first open heart surgery on October 31, 2007.

"We are pleased to be able to continue to provide care to patients in Alcorn County and the surrounding communities," stated Dr. Hutchinson. "[Heart patients] no longer have to travel great distances

to receive the highest quality health-care. The convenience for patients' families is certainly a tremendous added benefit as well."

## Cardiac Rehab celebrated 25 years!

MRHC's cardiac rehab program recently celebrated its 25th anniversary!

John Prather, PhD, M.D., F. A.C.C. was instrumental in getting the program started in 1985. The program began in a small room located near Echo. The next location was on the 4th floor and occupied space where a semi-private room was. As time went on the program expanded and now also has a maintenance facility on Harper Rd. where the 25th anniversary celebration took place.

Welcome  
Dr. Gregory Hale

Gregory Hale, M.D., a board certified physician in Internal Medicine and Nephrology, joined Magnolia Regional Health Center's Courtesy Medical Staff in June 2010. Dr. Hale received his medical degree from the University of Mississippi School of Medicine and completed his Internal Medicine residency at Baptist Medical Center in Birmingham, Alabama followed by a fellowship in Nephrology completed at the University of Alabama at Birmingham. Dr. Hale initially practiced in Tupelo for 13 years with a local Nephrology group. For the past two years, he has devoted his time to an out-patient practice, Guntree Medical Clinic.

Dr. Hale is a member of numerous medical organizations including the American Board of Internal Medicine (Diplomate), American College of Physicians/American Society of Internal Medicine, American Medical Association, Mississippi State Medical Association, National Kidney Foundation, International Society of Nephrology, American Society of Nephrology, Mississippi Nephrologic Society and more.

Dr. Hale is currently seeing patients in his Corinth Clinic, recently relocated to 207 Alcorn Drive, on Tuesday morning and afternoons and Thursday morning, with plans to increase these office hours with demand. Dr. Hale is also available for hospital consults. To schedule an appointment, please call 1-877-690-5675.

## Osteopathic Medical Education

OSTEOPATHIC MEDICAL STUDENT ~ FOURTH YEAR	
<b>Valerie Dye, OMS IV</b>	
	<p>Student Doctor Dye is from Cleveland, Ms. She obtained a BS degree in Biology from Delta State University and is currently a fourth year osteopathic medical student with KCUMB (Kansas City University of Medicine &amp; Biosciences).</p> <p>Valerie enjoys interior decorating, cooking traveling, shopping, reading books of all kinds, being outdoors in general and activities such as camping, canoeing, biking, and the lake. She has a twin sister and is a Tennessee Volunteers fan.</p>
<b>Andrew Westmoreland, OMS IV</b>	
	<p>Student Doctor Westmoreland is a fourth year osteopathic medical student with KCUMB (Kansas City University of Medicine &amp; Biosciences). His hometown is Oxford, Ms. He obtained his undergraduate degree from the University of Mississippi.</p> <p>Andrew's interests include pick-up basketball, working out, running ESPN, spending time with his son and the study of medicine.</p>
<b>Laviesta Ferrell, OMS IV</b>	
	<p>Student Doctor Ferrell is from Clinton, Ms. She is the daughter of Willie Mae and O.C. George Ferrell.</p> <p>Laviesta is a third year osteopathic medical student with PCSOM (Pikeville College School of Osteopathic Medicine). She received a BS degree in Chemistry from Tougaloo College; Tougaloo, Ms.</p> <p>Her hobbies include reading, continual advancement of her learning and understanding in the art medicine</p>
OSTEOPATHIC MEDICAL STUDENT ~ Third Year	
<b>Tyrone (Alex) Kyle, OMS III</b>	
	<p>Student Doctor Kyle is a third year osteopathic medical student with KCUMB (Kansas City University of Medicine &amp; Biosciences). He is a native of DeRidder Louisiana.</p> <p>He obtained BS degrees in Psychology and Biochemistry from Louisiana State University, Baton Rouge.</p> <p>Alex's interests include golf, baseball, football (LSU &amp; New Orleans Saints), Jazz, playing trumpet, singing and politics.</p>
<b>Patrick (Ross) Thurmond, OMS III</b>	
	<p>Student Doctor Thurmond is a third year osteopathic medical student with KCUMB (Kansas City University of Medicine &amp; Biosciences). He is a native of Ripley, Ms. He obtained a Bachelor's Degree in Biological Engineering from Mississippi State University.</p> <p>Ross enjoys spending time at the lake, biking and working out.</p>
<b>Justin Duke, OMS III</b>	
	<p>Student Doctor Duke is a third year osteopathic medical student with Nova Southeastern University. He is a native of Amory, Mississippi.</p> <p>He obtained a Bachelor's Degree in Biology from the University of Mississippi.</p> <p>Justin enjoys family and playing golf in his spare time.</p>
<b>Laith Mahdi, OMS III</b>	
	<p>Student Doctor Mahdi is a third year osteopathic medical student with Nova Southeastern University. He is a native of Toronto, Ontario</p> <p>He obtained a BS degree from York University, Toronto, Ontario.</p> <p>Laith's interests include basketball, football, sociology and sports medicine.</p>

## Osteopathic Internal Medicine Residency

### OGME R1

#### **Amanda Finley, D.O.**

Dr. Finley attended University of Tennessee at Chattanooga studying Biochemistry. She completed her Medical Training at West Virginia School of Osteopathic Medicine, Lewisburg, WV. She is a current member of the AOA and ACOI. Dr. Finley enjoys music, outdoors and scrapbooking.

#### **Kortni Gillman, D.O.**

Dr. Gillman graduated from University of North Carolina at Greensboro with a Bachelor's Degree in Biology. She completed her Medical Training at West Virginia College of Osteopathic Medicine in Lewisburg, West Virginia. She is a current member of the AOA and ACOI. Dr. Gillman enjoys piano, reading and learning.

#### **Raymond Seay, D.O.**

Dr. Seay obtained his degree in Biological Sciences from Florida State University, Tallahassee, Florida and completed his Medical Training at Nova Southeastern University College of Osteopathic Medicine, Fort Lauderdale, Florida. He is a current member of the AOA and ACOI. Dr. Seay enjoys reading, martial arts and playing guitar.

#### **Richard McNeilly, Jr. D.O.**

Dr. McNeilly graduated from University of North Carolina, Chapel Hill with a Bachelor's Degree in Biology. He completed his Medical Training at West Virginia School of Osteopathic Medicine, Lewisburg, WV. He is a current member of the AOA and ACOI. Dr. McNeilly enjoys pipe collecting, reading and watching movies.

#### **Karla Celleri-Reyes, D.O.**

Dr. Celleri-Reyes obtained an AA degree in Biology from Miami Dade College, Miami, Florida and a Bachelors degree in Biology-Pre Med from Florida International University, Miami, Florida. She completed her Medical Training at Lake Erie College of Osteopathic Medicine Florida Campus. She is a current member of the AOA and

ACOI. Dr Celleri-Reyes enjoys decorative home improvement projects, reading, movies and playing with her dogs.

#### **Andrew Thibodeaux, D.O.**

Dr. Thibodeaux graduated from Bellhaven University, Jackson, Mississippi with a Bachelor's Degree in Biology. He completed his Medical Training at Kansas City University of Medicine and Biosciences, Kansas City, Missouri. He is a current member of the AOA and ACOI. Dr. Thibodeaux enjoys all sports, movies and gadgets.

#### **Pandora Wilson, D.O.**

Dr. Wilson graduated from California State University, Los Angeles with a Bachelors Degree. She completed her Medical Training at Western University Health Sciences, Pomona, California. Dr. Wilson completed an Emergency Medicine Internship at St. John Hospital-Oakland, Madison Heights, Michigan. She is a current member of the AOA and ACOI. Dr Wilson enjoys tennis and mountain bike riding.

## Osteopathic Internal Medicine Residency

### OGME R2

#### **Darren Ramoutar, D.O.**

Dr. Ramoutar obtained his BS degree in Microbiology and Molecular Biology from the University of Central Florida, Orlando, Florida. He completed his Medical Training at Kansas City University of Medicine and Biosciences, Kansas City, Missouri. Dr. Ramoutar completed a traditional internship year at St.

Petersburg General Hospital, St. Petersburg, Florida and his first year of Residency at New York Hospital Queens, Flushing, New York. He is a current member of the AOA and ACOI. Dr Ramoutar enjoys music, cooking and fitness.

#### **Michael Hawley, D.O.**

Dr. Hawley graduated Theta Alpha Kappa from Westminster College in Fulton, Missouri with a Bachelor's Degree in Biology and a Minor in Chemistry. He completed his Medical Training at Pikeville School of Osteopathic Medicine in Pikeville, Kentucky. Dr. Hawley completed an OMT Fellowship at PCSOM. He is a current

member of the AOA and ACOI and enjoys music, family and -----.

#### **Charles Swanson, D.O.**

Dr. Swanson graduated from Marshall University with a Regents Bachelor's Degree. He completed his Medical Training at Pikeville School of Osteopathic Medicine in Pikeville, Kentucky. He is a current member of the AOA and ACOI. Dr. Swanson enjoys, hunting fishing and reading.

#### **James Delgadillo, D.O.**

Dr. Delgadillo graduated Magna Cum Laude from University of Wisconsin-Eau Claire with a Bachelor's Degree in Biology. He completed his Medical Training at Kansas City University of Medicine and Biosciences. He is a current member of the AOA and ACOI. Dr. Delgadillo enjoys

Taekwondo in his free time.

### OGME R3

#### **Aaron Earles, D.O.**

Dr. Earles graduated from Marshall University with a Bachelor's Degree in Biology and a MS in Exercise Science. He completed his Medical Training at Pikeville School of Osteopathic Medicine in Pikeville, Kentucky. He is a current member of the AOA and ACOI. Dr. Earles enjoys golf in his free time.

#### **Christina Brown, D.O.**

Dr. Brown graduated from Murray State University with a Bachelor's Degree in Business Administration. She completed her Medical Training at Pikeville School of Osteopathic Medicine in Pikeville, Kentucky. She is a current member of the AOA and ACOI. Dr. Brown enjoys

family, church activities and physical fitness.

#### **Baron Herford, D.O.**

Dr. Herford graduated from Georgia State University, Atlanta, with a Bachelor's Degree in Biology and obtained an AAS degree in Respiratory Therapy at Lamar University, Beaumont Texas. He completed his Medical Training at Pikeville School of Osteopathic Medicine in Pikeville, Kentucky. He is a current member of the AOA and ACOI.

Dr. Herford enjoys family, reading, church activities and golf.

## Department Winners

### INPATIENT WINNER: SICU

Score of 95.3 or 99%

"My nursing care was exceptional, Ashley, Dana & Tina were all very kind & caring."

"Every one was really great and understanding. Treated my family members very good."

"I don't think I could have gotten any better treatment."

"My stay was above and beyond expectations. My doctor, the nurs-

es and the staff was an excellent experience. I left the hospital with great memories."

"Same as above this staff was wonderful."

"Could not have asked for better."

"If I came back to the hospital I would like to have the very same GOOD peoples once more."

"Every one was very nice and kind

very good."

## INPATIENT

"I had lots of company & the staff was very courteous to each."

### OUTPATIENT WINNER: ASC

Score of 94.2 or 93%

"My Dr. was wonderful (Dr. Perry) and the nurse that took my blood (Ms. Hellen) I absolutely loved her!"

"Tasha was very helpful at registering both times."

"Judy RN did first preop and did explain everything to me.

\*Whitney nurse did preop. She also did a good job getting me ready for surgery."

"Barbara D. OR nurse and Andrea recovery nurse. Both were very good telling me what to expect on my hands."

"Angela, Candie, Jill, Kim and all recovery nurses are great, they all the best nurses you could get."

"Dr. Garrett made surgery appt. and provided excellent pre-op information."

"Dr. Garrett kept me well advised of when to come for surgery... Her office informed me of a 1 hour delay so I could

## OUTPATIENT

delay my arrival. Greatly appreciated."

\*Dr. Rodriguez is the best and the nurses also. Thank you."

"I trust Dr. Shipp completely."

"Dr. Shipp is an excellent physician and person. Nurse Candy was excellent."

# Customer Service Excellence Monitor

MRHC would like to introduce the Bronze, Silver and Gold for the month.

## NOTICE

### MICU

has temporarily relocated to  
**4th Floor North,**  
East Hallway.

To access the MICU:  
• Visitors may use the elevators located directly across from the gift shop (E4 & E5 on map below)  
• Staff may use North employee elevators (Staff on map below)

## Corporate Compliance Corner

### Response to Legal or Regulatory Investigations

State and federal agencies have broad legal authority to investigate or audit the Hospital and review its records. The Hospital will comply with subpoenas and cooperate with governmental investigations to the full extent required by law. The Compliance Officer is responsible for coordinating the Hospital's response to investigations and the release of any information.

If a department, an employee, or a professional staff member receives an investigative demand, subpoena, or search warrant involving the Hospital, it should be brought immediately to the Compliance Officer. Do not release or copy any documents without authorization from the Compliance Officer or Hospital legal counsel. If an investigator, agent, or government auditor comes to the Hospital, contact the Compliance Officer immediately. In the Compliance Officer's absence, contact the Hospital's Chief Executive Officer, Administrator-on-Call, or a member of the Compliance Committee. Ask the investigator to wait until the Compliance Officer or his/her designee arrives before reviewing any documents

or conducting any interviews. The Compliance Officer, his/her designee, or Hospital legal counsel is responsible for assisting with any interviews, and the Hospital will provide counsel to employees, where appropriate. If Hospital employees are approached by government investigators and agents, the employee has the right to insist on being interviewed only at the Hospital, during business hours or with legal counsel present. All third party auditors or surveyors must provide verification of their identity and authority (i.e. business card with organizational or agency log and picture identification) prior to the release of any documentation or interviews conducted including any necessary valid patient authorizations. If a professional staff member receives an investigative demand at his or her private office and the investigation may involve the Hospital, the staff member is asked to notify the Compliance Officer immediately.

Hospital employees are not permitted to alter, remove, or destroy medical or business documents or records of the Hospital. This includes paper and electronic documents such as letters and memos, computer-based information such as e-mail or computer files on disk

or tape, and any other medium regardless of form (e.g. text, graphics, videos, voice, drawings, etc.) that includes information about the Hospital or its business activities. Subject to coordination by the Compliance Officer, the Hospital and its employees will disclose information required by government officials, supply payment information, provide information on subcontractors, and grant authorized federal and state authorities with immediate access to the Hospital and its personnel. Failure to comply with these requirements could mean that the Hospital will be excluded from participating in the Medicare and Medicaid programs.

Subcontractors of the Hospital who provide items or services in connection with the Medicare and/or Medicaid programs are required to comply with the Hospital's policies on responding to investigations. Subcontractors must immediately furnish the Compliance Officer, Hospital legal counsel, or authorized government officials with information required in an investigation.

"But rules cannot substitute for character."

— Alan Greenspan, chairman of the U.S. Federal Reserve Board

## MRHC Foundation

### Tribute Garden Naming Opportunities

Magnolia Regional Health Center Foundation, Inc. provides charitable support to Magnolia Regional Health Center and similar non-profit organizations in Alcorn County in order to improve the health and wellbeing of the people of Corinth, Alcorn County and the surrounding region. Through the generous support of our donors, we work to ensure that current and future programs that will assist patients at our facility receive the funding and support which they deserve.

Our Foundation offers individuals an opportunity to create a permanent impression on the Corinth community by taking advantage of one of the many naming opportunities available within the beautiful Tribute Garden located at The Cancer Center at Magnolia. This soothing garden which was dedicated on June 1, 2009 offers patients and their families a place overflowing with peace, comfort, and encouragement. Naming opportunities within the resource center are also available through our Foundation.
