Magnolia FOUNDATION

For over 50 years Magnolia Regional Health Center has been a healthcare source that provides caring, compassionate and excellent services to the people in its community. The Magnolia Foundation was created in 1980 to assist our hospital with the needs of the community.

Today, Magnolia Regional Health Center serves thousands of patients with emergency care, surgical care, cancer care, cardiology and cardiovascular care, inpatient care and outpatient care. MRHC has 200 physicians on our Medical Staff, with a wide variety of specialties that are necessary to treat the medical conditions that are common to our area.

The Mission of the Magnolia Foundation is to provide charitable support to Magnolia Regional Health Center and similar non-profit organizations in Alcorn County in order to improve the health and wellbeing of the people in Corinth, Alcorn County, and the surrounding region.

As Magnolia Regional Health Center grows, the possibilities of support through the Magnolia Foundation expand. And, as the community medical needs increase, Magnolia Regional Health Center will partner with its Foundation to strive to provide excellent care for those services. The Magnolia Foundation also provides ways to remember or honor a loved one or a caregiver through many programs and the unrestricted gifts campaign. The Magnolia Regional Health Center Foundation, Inc. is a 501(c)(3) charitable organization, and all donations are tax deductible in accordance with law.
