

# FY 2019 Impact Report

[MRHC.org/Foundation](http://MRHC.org/Foundation)

*We work to ensure a future of good health and quality of life, right here at home*

VISION

MISSION

VALUES

## Community Support

**VISION:** To create a culture of philanthropy that will transform the lives of our communities and our donors

**MISSION:** We work to ensure a future of good health and quality of life, right here at home

**VALUES:**

*Stewardship* - Trustworthy guardian and administrator of the possessions of Magnolia Foundation, to always be managed within the scope of the Mission and to the benefit of the focus areas as designated by the Board of Directors

*Giving* - Request for voluntarily monetary support, community assistance and support and the issuance of funds to benefit the focus areas as designated by the Board of Directors

*Benevolence* - Practice the traits of goodwill, kindness and compassion

*Leadership* - Become a strong guidance in the community toward positive initiatives for the good health of the people

## 2015-2019 MRHC Programs, Community Contributions and Sponsorships
